

SDI matters!

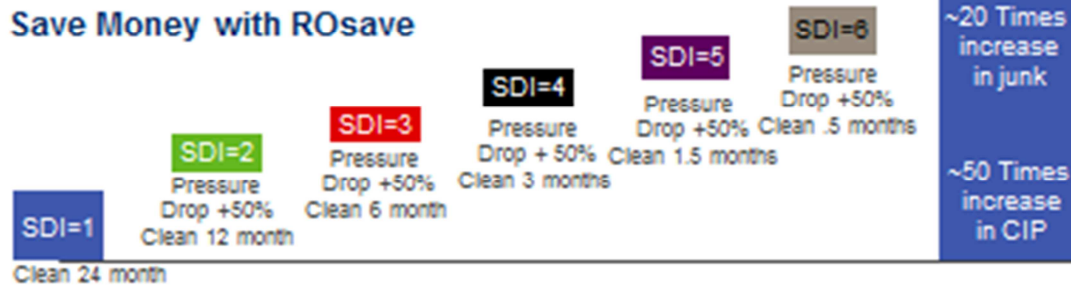

Did you know that qualitatively, SDI is proportional to particulates and junk going through your membrane elements. A less efficient system costs you money. In 15 Minutes:

SDI=6-----270 grams
SDI=5-----90 grams
SDI=4-----50 grams
SDI=3-----30 grams
SDI=2-----15 grams
SDI=1-----7grams

ELSEVIER, 259-262
