

# Ultrapure & Industrial Services, LLC

Total Service and Support for Water Treatment

Systems ISO 9001: 2008 Certified

Ultrapure & Industrial Services, LLC. distributes a wide-range of Reverse Osmosis, Nanofiltration and Ultrafiltration Membranes. We carry membranes from CSM, Dow/Filmtec and GE among others. This offering allows us to provide you with the best possible combination of performance and price to meet your needs.

Spiral-wound technology is used in a myriad of applications including:  
Drinking Water - Boiler pre-treatment - Water re-use - Desalination

Membranes can be provided for various environments including:

- Brackish water
- Seawater
- Low energy/flow
- Low fouling
- Extreme pH
- High temperature

Ultrapure & Industrials Services, LLC offers in-house membrane cleaning service for both 4" and 8" elements. Cleaning has been shown to prolong the life and improve the performance of membranes:

- Affordable
- Rapid turn-around
- Performance tested
